

Application for a CT Collins Scholarship

General

The C T Collins Research Training Scholarship is provided by the Cancer Society Wellington Division to allow a student to undertake cancer related research/study leading to a Doctorate in Philosophy from a New Zealand University.

Ideally the research/study will have an equity focus. The successful applicant will be selected on the basis of his/her potential for a career in cancer research and will be a full-time student or ½ time equivalent.

Study in a University must primarily be undertaken within the Wellington Division boundaries which includes; Greater Wellington, Marlborough, Nelson and the Wairarapa.

DURATION OF SCHOLARSHIP:

The award is for two years, in the first instance, extendable to three years subject to annual review and satisfactory evidence of progress.

Scholarship funding will normally be paid to the successful candidate in installments.

APPLICATIONS:

Applications will be reviewed by a Medical and Scientific Committee. This is a sub-committee appointed by the Cancer Society Wellington Division Board.

Applicants may be required to present their application in person to the Committee.

CLOSING DATE: 31 August 2021.

This application should be forwarded to:

Michael Smith
The Chief Executive Officer
Cancer Society Wellington Division
52 Riddiford Street
Wellington 6021
