

# Murray and Terry Scholarship

## Scholarship Regulations

### **Focus**

Agriculture and Horticulture

### **Level of Study**

Postgraduate

### **Purpose**

The Murray and Terry Scholarship supports agriculture and horticulture students in the first year of their master's programme, or a postgraduate diploma.

### **Background**

This scholarship is supported by a combined fund from a gift from F. Terry of Ngongotaha in memory of his son, George Harold Terry, a graduate of Massey Agricultural College, who was killed in action in Italy in 1944; and from a bequest made from the will of Janet Murray of Auckland.

### **Value and Tenure**

The value of the scholarship is determined each year from the interest earned on the capital. In recent years this has been \$3,000.

The scholarship is usually awarded annually, and the tenure is for a single academic year.

At the discretion of the University all, or part, of the annual interest may be reinvested to maintain the value of the capital fund so the scholarship may not be granted each and every year.

### **Typical Number on Offer**

One scholarship is typically offered each year.

### **Eligibility**

Applicants must be enrolled full time in the first year of a master's degree or postgraduate diploma in disciplines relevant to agriculture or horticulture at Massey University.

## **Selection Criteria**

The selection is based on:

- academic merit
- the benefit to the applicant and their study in receiving this scholarship, and how well the applicant meets the conditions and intentions of the scholarship

The University Scholarships Committee may take account of other scholarships and bursaries held by the applicants in seeking an equitable distribution of funds.

## **Selection Committee**

The scholarship is awarded on the recommendation from the Applied Academic Programmes Scholarships Committee, College of Sciences.

The Applied Academic Programmes Scholarships Committee has the right to refrain from making an award if there are no suitable applicants.

## **Conditions of the Scholarship**

The scholarship may be held in conjunction with other scholarships, bursaries or awards, so long as those scholarships, bursaries or awards permit co-tenure.

Payment will be made in May.
