

Vetora Work Experience Grant

Grant Regulations

Focus

Veterinary Science

Level of Study

Undergraduate

Background

The Te Awamutu Veterinary Association, trading as Vetora Waikato and Tokoroa and Districts Veterinary Services, was incorporated in 1943 and has been providing services to farmer members and local communities for over 75 years. Vetora now have eight clinics throughout the central North Island from Hamilton to Taupo. The Vetora Work Experience Grant has been established to financially assist veterinary students to cover transport and living costs while seeing practice.

Value and Tenure

The value of the grant will be \$1,500.

Typical Number on Offer

Typically, four grants will be offered each year.

Eligibility

Applicants must be:

- enrolled in the third year of the Bachelor of Veterinary Science degree at Massey University
- available to undertake two weeks of 'Seeing Practice' in the fourth year
- normally resident in New Zealand

Selection Criteria

The selection will be based on demonstrated interest in farm and mixed animal practice as outlined in a statement.

Selection Panel

The scholarship is awarded on the recommendation of the Vetora selection panel.

Conditions of the Grant

The successful applicants will be expected to undertake two weeks of 'Seeing Practice' in their fourth year at one or more of the eight Te Awamutu Veterinary Association clinics. These clinics are located in Hamilton, Cambridge, Te Awamutu, Otorohanga, Putaruru, Tokoroa, Whakamaru, and Taupo.

Recipients are required to pass the third year of the Bachelor of Veterinary Science in order to receive this grant.
