Purpose

The Janet Murray Scholarship encourages postgraduate research in agriculture.

Background

This bursary was established under the will of Janet Murray of Auckland.

Value and Tenure

The value of the scholarship is determined each year from the interest earned on the capital. In recent years this has been \$1,000.

The scholarship is usually awarded annually, and the tenure is for a single academic year.

At the discretion of the University all, or part, of the annual interest may be reinvested to maintain the value of the capital fund so the bursary may not be granted each and every year.

Typical Number on Offer

One scholarship is typically offered each year.

- academic merit
- the benefit to the applicant and their study in receiving this scholarship, and how well the applicant meets the conditions and intentions of the scholarship

The University Scholarships Committee may take account of other scholarships and bursaries held by the applicants in seeking an equitable distribution of funds.

Selection Committee

The scholarship is awarded by the University Scholarships Committee on the recommendation of the Applied Academic Programmes Scholarships Committee, College of Sciences.

The University Scholarships Committee has the right to refrain from making an award if there are no suitable applicants and its decision is final.

Conditions of the Scholarship

The Applied Academic Programmes Scholarships Committee may withdraw or suspend an award at any time if the recipient fails to make satisfactory academic progress.

The scholarship may be held in conjunction with other scholarships, bursaries or awards, so long as those scholarships, bursaries or awards permit co-tenure.
