

Gosling Ornamental Horticulture Bursary

Bursary Regulations

Focus

Ornamental horticulture.

Level of Study

Undergraduate and Postgraduate.

Purpose

The Gosling Ornamental Horticulture Bursary supports undergraduate and postgraduate students interested in the production of ornamental plants.

Background

This bursary is supported by the combined funds of the Ornamental Horticulture Trust Award and the M. W. L. and N. Gosling Bequest.

Value and Tenure

The value of the bursary is determined each year from the interest earned on the capital. In recent years this has been \$1,500.

At the discretion of the University all, or part, of the annual interest may be reinvested to maintain the value of the capital fund so the scholarship may not be granted each and every year.

The bursary is offered annually as funds permit and the tenure is for a single academic year.

Typical Number on Offer

Typically, one bursary is offered each year.

Eligibility

Applicants must be:

- a New Zealand citizen or permanent resident.
- enrolled full time in a programme of study in horticulture that is relevant to the production of ornamental plants.
- enrolled at Massey University's Manawatū campus.

Selection Criteria

The selection criterion is academic merit. Other factors including other scholarships and bursaries may be taken into account.

Selection Committee

The bursary is awarded by the University Scholarships Committee on the recommendation of the Applied Academic Programmes Scholarships Committee, College of Sciences.

The University Scholarships Committee has the right to refrain from making an award if there are no suitable applicants and its decision is final.

Conditions of the Bursary

The bursary may be held in conjunction with other scholarships, bursaries or awards, so long as those scholarships, bursaries or awards permit co-tenure.
